You should see the Hills from here! Custer/Mt. Rushmore KOA is your central location for seeing all of the Black Hills. We are in the center of all five major Black Hills attractions: Mount Rushmore National Monument, Crazy Horse Memorial, Jewel Cave National Monument, Wind Cave National Park, and Custer State Park, all within 6 to 22 miles of the campground. We can arrange car rentals or tours with a local tour company that picks you up at your site. Downtown Custer has great restaurants and free live entertainment twice a week on summer evenings. You might even spot General Custer strolling around! After a day of sightseeing, unwind at our tranquil campground among the ponderosa pines, just 3 miles west of Custer. The kids will love our jumping pillow, game room and playground. Seasonal activities (Memorial Day to Labor Day) include full chuck wagon breakfasts, ice cream socials, kids' crafts and games, and a heated pool, weather permitting.
